

State All-Hazard Mitigation Plan

State All-Hazard Mitigation Plan

AGENDA

- 409 Plan
- Name change SHMPAC to SHMAC
- Status of the 322 Plan
- Timeline for completion
- Capability Assessment Questionnaire
- Integration of Local / Agency Data

State All-Hazard Mitigation Plan

- 409 Plan was promulgated on Aug 6, 2002

State All-Hazard Mitigation Plan

■ Name change SHMPAC to SHMAC

This name was changed from State Hazard Mitigation Plan Advisory Committee (SHMPAC) to State Hazard Mitigation Advisory Committee (SHMAC) to better reflect all of the coordination effort completed by this partnership. This includes a broader scope of activities rather than items pertaining to planning only.

State All-Hazard Mitigation Plan

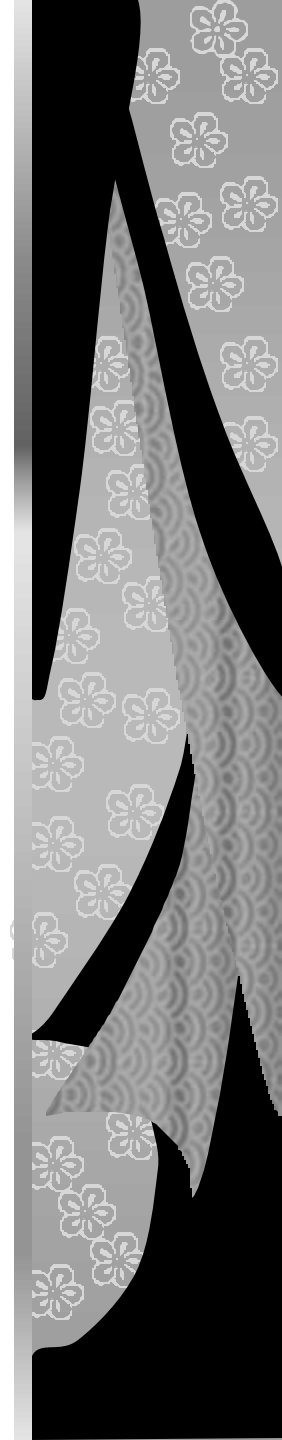

Status of the 322 Plan

View and discuss the crosswalk
(evaluation) from FEMA completed in
Oct 2003.
